Rainbow Colours Wool Value Pack

10 reviews

Add a splash of colour to your craft box with this cheerful Rainbow Colours Wool Value Pack! Yarn is an essential craft box staple, and with these vibrant shades, you'll have a ball for every project! Use to make pretty pompoms, collage embellishments and for teaching children the wonders of wool craft such as knitting, weaving and crochet. And not only are these colourful strands great quality, they're amazing value too, with seven different balls included, you'll run out of inspiration before you run out of yarn! Create, knit, weave, make!
